

Live Love Bark

Grooming Service Waiver & Consent

This one is much more personal. It isn't the contract—it's the owner's acknowledgement.

I, the owner or authorised representative of the dog presented today, acknowledge and agree that:

- I have provided accurate information regarding my dog's health, behaviour and grooming history.
 - I understand grooming involves the use of clippers, scissors, blades, dryers, bathing equipment, nail trimming equipment and handling techniques.
 - I understand that dogs may react unexpectedly despite appropriate handling.
 - I authorise Live Love Bark to make professional grooming decisions where necessary to prioritise my dog's welfare.
 - I understand that severely matted coats may require clipping shorter than requested and may reveal pre-existing skin conditions or injuries.
 - I understand that additional grooming charges may apply where coat condition, behaviour or appointment requirements differ significantly from the original booking.
 - I authorise Live Love Bark to seek emergency veterinary treatment if immediate medical attention is considered necessary and I cannot be contacted.
 - I accept responsibility for veterinary costs arising from emergency treatment.
 - I understand that every reasonable precaution will be taken to ensure my dog's safety and wellbeing throughout their appointment.
 - I understand that grooming outcomes may vary depending on coat condition, temperament and my dog's tolerance for grooming.
 - I have read and agree to the Live Love Bark Service Terms & Conditions.
